S T A T E M E N T

On the morning of September 20, 1990 Jack Piippo, Mullan Trail District Chairman, and myself met with Mr. Steve Crist to serve him with an official letter revoking his registration. This primarily came about due to charges which were brought against him regarding sexual molestation with [REDACTED] Steve felt this was coming and it came as no surprise to him. He was also given the procedures for a hearing if he so desired.

Upon arrival back at my office, I called Dusty Deschamps, Missoula County Attorney, to secure some needed information so we could get it back to the national office for their confidential records. Dusty told me at that time that the situation had gotten worse and that four additional charges had been lodged against Steve; sexual molestation of a boy, sexual molestation with a babysitter, sexual molestation with [REDACTED], and forgery. Dusty has offered to furnish me with a copy of the charges and court proceedings which will be included with this statement.

Codes on the attached file card and marked in red are as follows:

- V = victim
- S = suspect
- C = complainant
- A = arrested

To date he has no convictions. His trial will come up in October or November 1990 on the charges of 3 counts of sexual assault (felonies) and one count of misdemeanor forgery. The charges of such are attached and NCIC has nothing on him.
